Koptekst**Vliegtuigpassagiers en luchtvaartmaatschappijen. Welke rechter is internationaal bevoegd?**

Verhoeven gives an overview of European legislation and recent case law relating to international jurisdiction and studies the relationship with Directive 2015/2302. He thereby focuses on consumer protection issues and more particularly on unfair terms in contracts concluded with airlines. These aspects are studied in a comparative law perspective. The text gives illustrations of unfair terms designating the forum.
