Publication Year: 2014

Keywords: travel

Directive Articles

Package Travel Directive, [link](#)

Headnote

This article discusses a case before a Belgian court where a travel retailer forgot to mention the name of the travel organizer on the travel purchase order. As a result of this the court considered that the travel retailer should be considered the travel organizer, with all obligations incumbent on such organizer. The author discusses the basis on which this decision was made in detail.

General Note

This case related to a provision that is not set out in the Directive
