National information and online forms concerning Regulation No. 861/2007

General information

[Regulation \(EC\) 861/2007](#) of the European Parliament and of the Council of 11 July 2007 establishing a European Small Claims Procedure seeks to improve and simplify procedures in civil and commercial matters where the value of a claim does not exceed 5000 €.

The Regulation applies between all Member States of the European Union with the exception of Denmark.

The Small Claims procedure operates on the basis of standard forms. It is a written procedure unless an oral hearing is considered necessary by the court.

Oral hearings could be carried out through tele- or videoconference if the equipment is available to the court.

The Regulation also establishes time limits for the parties and for the court in order to speed up litigation.

The Regulation provides for four standard [forms](#).
