FINDING COMPETENT COURTS/AUTHORITIES

The search tool below will help you to identify court(s)/authority(ies) competent for a specific European legal instrument. Please note that although every effort has been made to ascertain the accuracy of the results, there may be some exceptional cases concerning the determination of competence that are not necessarily covered.

Article 10 - Information on competent courts or authorities

The authorities competent to enforce agreements resulting from mediation are those which would have subject-matter jurisdiction to hear the dispute.

Where mediation is provided by a notary acting as mediator, the resulting agreement may take the form of a notarial deed. This notarial deed, bearing an enforcement order, constitutes an enforceable title on the same terms as a court judgment.
