Information on how the EJN-civil can help citizens

The EJN-civil facilitates relations between national judicial authorities which in turn benefits people involved in cross-border civil and commercial cases.

The EJN-civil helps to improve effective access to justice in the following ways:

- It provides citizens directly with a wide range of information on European, national and international civil and commercial law through pages on specific topics which are available [here](#).
- It has also developed a number of [publications](#), notably for citizens on specific Union law instruments.
