In Europe, business registers offer a range of services, which may vary from one Member State to another.

However, the core services provided by all registers are to register, examine and store company information, such as information on a company's legal form, its seat, capital and legal representatives, and to make this information available to the public.

To obtain detailed information on registers in Member States as well as Iceland, Lichtenstein and Norway please select one of the flags listed on the right hand side.
