Uznanie a výkon súdnych rozhodnutí

Keď súd rozhodol, že vám niekto musí zaplatiť určitú sumu alebo niečo konkrétne urobiť (súdne rozhodnutie), a nestalo sa tak alebo ste peniaze nedostali, môžete súd požiadať o výkon rozhodnutia.

How to enforce a court decision

When a Court is involved in solving a dispute, there are two steps that must be ensured at the end of the process. First, the Court must hand down a judgment and then the judgment needs to be enforced in practice.

European enforcement order

The Regulation (EC) No 805/2004 is a simple procedure that can be used for uncontested cross-border claims. This procedure allows a judgment in an uncontested claim delivered in one Member State to be easily recognised and enforced in another Member State.
