## About the network - Netherlands

### Contact points and Network members in the Netherlands

In the Netherlands, a central contact point has been designated at the Ministry of Security and Justice. A contact point has also been appointed for matters of jurisdiction.

Alongside the contact points, the professional associations for the liberal legal professions (lawyers, notary services and bailiffs) are also members of the Network.

On the basis of various regulations (including Regulation (EC) No 2201/2003, Regulation (EC) No 4/2009 and Regulation (EC) No 1393/2001), central authorities are also members of the Network.

Communication with the European Commission (in this case, the secretariat of the EJM-civil) usually takes place via the central contact point. This ensures that, where relevant, information and questions reach the right authority.

Contact points and members, particularly the central authorities, often communicate directly with each other and with the contact points and members in other Member States.

Depending on what is on the agenda, members are invited to take part in Network meetings.

The Dutch contact points and members also hold an annual meeting. This meeting is an opportunity to discuss the activities of the Network and to examine areas in which mutual communication can be improved.
