Portugal

Conflict mediators who perform duties in the context of each of the public mediation systems or the magistrates shall be registered on lists of persons authorised to mediate. This entry is governed by Ministerial Implementing Order No 282/2010 of 25 May 2009 and by Order No 283/2018 of 19 October 2009. The Directorate-General for Justice Policy (DGPJ), an entity belonging to the Ministry of Justice, is responsible for regulating public mediation. Although the DGPJ does not provide information on how to find a mediator, it makes these lists of mediators publicly available, which can be found here:
