

## Court fees concerning Small Claims procedure - Luxembourg

Tämän sivun teksti on konekäännös, eikä sen laatua voida taata.

### What are the applicable costs?

There are no fixed costs involved in bringing a dispute before a civil court other than bailiffs 'and lawyers' fees. In principle, **no court costs are incurred in the civil courts**. After a judgment, there may be subsequent costs incurred in the execution of the decision and at the request of the successful party.
